M	021422-002	FUSE LINK
N	036256-002	THERMAL PROTECTOR
O‡	220972-001 98-240	SWITCH
P	125808-001	INSULATION STRIP
Q	220974-001 98-241	ACTUATOR PLATE ASSEMBLY
R	036080-001	KI KNOB (IVORY)
S	036326-001	ENCLOSURE (CASTING BOX)
T	036291-001-PH	PAINTED STEEL PLATE
U	035670-001	BASE & BEARING ASSEMBLY

\* WBD1800 Coil Kit includes coil with wire leads and brush assembly.

\*\* Panel Assembly includes the fuse link, actuator, on/off switch, thermal protector, and miscellaneous hardware.

‡ Note: An installed on/off switch differing from the one shown in Figure O cannot be replaced independently; an entire terminal panel assembly #035671-001 must be replaced. Inoperable switches similar to the illustration can be replaced separately.
