M	125808-001	INSULATOR STRIP
N	220974-001 98-241	ACTUATOR PLATE ASSEMBLY
O	036080-001 98-230	KI KNOB (IVORY)
P	036124-003	ENCLOSURE (CASTING BOX)
Q	036283-001-PH	PAINTED STEEL WALL PLATE

* WBD450 Coil Kit includes a Coil with wire leads and brush assembly.

** Panel Assembly includes fuse link, actuator, on/off switch, thermal protector, and miscellaneous hardware.

‡ Note: An installed on/off switch differing from the one shown in Figure L cannot be replaced independently; an entire terminal panel assembly #035662-001 must be replaced. Inoperable switches similar to the illustration can be replaced separately.
