M‡	220972-001 98-240	SWITCH
N	125808-001	INSULATOR STRIP
O	220974-001 98-241	ACTUATOR PLATE ASSEMBLY
P	036080-001 98-230	KI KNOB (IVORY)
Q	036313-001	ENCLOSURE (CASTING BOX)
R	036310-001-PH	PAINTED STEEL WALL PLATE

\* WBD800 Coil Kit includes a Coil with wire leads and brush assembly.

\*\* Panel Assembly includes fuse link, actuator, on/off switch, thermal protector, and miscellaneous hardware.

‡ Note: An installed on/off switch differing from the one shown in Figure M cannot be replaced independently; an entire terminal panel assembly #035682-001 must be replaced. Inoperable switches similar to the illustration can be replaced separately.
