

Redesigned Pro Standard Height Mic Stand with Locking Tripod Legs & Telescoping Boom

The new Pro-R Series Microphone Stands from Ultimate Support take some of the best features from our beloved Pro Series and delivers them at a price musicians and pro audio professionals will love. Featuring a new lightweight design and an improved tripod base mechanism, these stands provide sturdy support and the fastest set up and takedown we've ever been able to offer. All shafts are interchangeable between stands, making the Pro-R series from Ultimate Support a modular solution that will enhance your workflow at a price you love as much as the stands.

Quarter Turn Clutch

Mic clutch just takes a quarter turn to adjust.

Locking Tripod Base

Mic tripod legs can lock in open or closed position.

Interchangeable Shaft

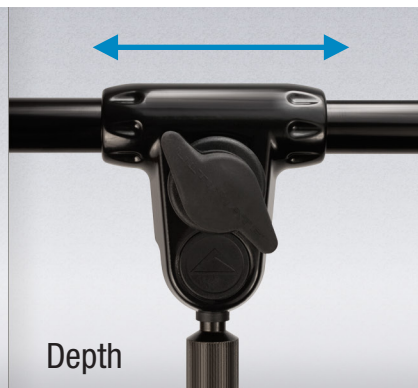

Mic shaft is interchangeable with all Pro-R mic bases.
