

GENERAL INFORMATION

SmartStands are the perfect compliment to your ETC SmartBars®. The crank-up stand can easily be loaded with a dimmer bar and fixtures, providing great lighting for events in conference and convention rooms, gymatoriums and cafetoriums, small studios and black box spaces. The SmartStand provides a practical and safe alternative to special rigging and homemade hanging positions.

APPLICATIONS

- Anywhere, anytime:
  - Industrial productions
  - Rental productions
  - Convention and conference centers
  - Cafetoriums and gymatoriums
  - TV Studios
  - On location
