

Job / Customer: \_\_\_\_\_

Station Name / Location: \_\_\_\_\_

Quantity: \_\_\_\_\_

**Station Technology**

- Passive (ST-UP6)  
(not available with -RGB option)
- 2-Wire Digital (ST-UD6)  
(only available with -RGB option)
- 4-Wire Digital (ST-UN6)  
(only available with -RGB option)

**Station Color**

- Black (-CB)     White (-CW)
- Ivory (-CI)     Almond (-CA)

**LED Indicator Color**

- Blue (-LB)     RGB (-RGB)
- Green (-LG)     None (-NL)
- Red (-LR)

**Build A Part Number:**

Start with the Station Technology, then add Station Color and LED Indicator Color part numbers.

For example, for a Black 6-Button 2-Wire Ultra with RGB LEDs, the part number is:  
ST-UD6-CB-RGB

\* Please note that not all combinations are available.

**Button Cap Engraving**

(Up To 8 Characters + Spaces per Line, printed above each button on housing)

**Button 1:** \_\_\_\_\_

**Button 2:** \_\_\_\_\_

**Button 3:** \_\_\_\_\_

**Button 4:** \_\_\_\_\_

**Button 5:** \_\_\_\_\_

**Button 6:** \_\_\_\_\_

Note: The CAD version of this document is drawn to-scale (in millimeters).

**6-Button Ultra**
