

# Intelligent lights – washes

## **VLZ Wash**

The Philips Vari-Lite VLZ Wash is a dedicated wash luminaire utilizing the latest high output LED light engine and a familiar CMY-CTO color system to produce stunning colors. The dual fixed color wheel with linear control gives access to Vari-Lite colors and split color combinations. Color shake and color wheel spin control have also been added to the mix. All of this is bundled into a luminaire that produces a staggering 25,000 lumens projected from a large 155mm (6”) lens.

In addition to the wide zoom range, Beam-Shaping control can be achieved via 3 different systems used independently of each other; a lenticular lens can change the beam from round to oblong; 4 different beam softness grades are achievable using the beam softening control; a set of internal barndoors shape the beam even further.

The combination of the color and beam control makes the VLZ Wash the go-to professional moving wash luminaire.

# Product data

## Feature and benefits

- 25,000 lumen output.
- 155mm large aperture wash lens.
- High output white light LED light source engine to maintain constant high output light levels.
- Wide zoom range.
- 16-bit dimmer control with 4 selectable curves.
- Color mixing system CMY + CTO color control.
- 12 fixed color - 2 color wheels 6+ open with color shake and wheel spin functions.
- Indexing and rotatable beam shaping system.
- 4 selectable beam edge softness.
- Masking barndoor system with 4 blades frame rotation  $\pm 50$  degree either side of center.
- Fast, accurate and repeatable movement on all functions.
- Two year limited warranty.

Source	LED
Qty of LED cells	N/A
Lamp cap	–
Lumen output (max.)	25,000
Wattage	620W
Color temperature	8000K source, variable CTO
CRI	>70
Color mixing	CMY, variable CTO 2x fixed color wheels
Beam angle	7–50°
Pan / tilt	540° / 270°
Controls	DMX512-A / RDM, Art-Net™
DMX channels	52
Dimming	Electronic 16-bit
Macro effects	No
Accessories	–
Operating voltage	100–240VAC 50/60Hz
IP rating	IP20
Operating temperature	10–45°C
Construction	Metal frame and engineering plastic covers
Finish	Black
Dimensions L x H x W	458 x 316 x 796mm (18 x 12.44 x 31.34in)
Hanging centers	600mm (23.62in)
Weight	39.0kg (86lb)
Warranty	2 years
